

GOOLMA COMMUNITY VOICE

Welcome everyone to our very successful start to 2018. Bobbie is off to a flying start in kindergarten. Everyone else has moved up a year, which, surprisingly, means Chloe, Zeke Jemima, and Danzell are in Year 6. Chloe was successful in being elected school captain with the other senior students more than willing and able to assist at any moment.

Our Year 6 students will be travelling to Sydney, with our friends from other Small Schools, to the student Leadership Forum in Sydney. As well as hearing key messages on being a leader, we will visit Madam Tussauds before dinner at the Blackbird restaurant followed by a Ten Pin Bowling session.

This is a champion school filled with champions. From Kinder to Year 6 Goolma Public swam in all the events they could at our recent Mudgee Small Schools swimming carnival. All our points meant the children came home with the trophy for over-all winner. Chloe needed extra muscle to carry home her senior girl trophy and Bobbie, as runner up Juvenile Boy, wore a very large medallion home. Each year we have our swimming school leading up to the carnival.

Chloe swam in Medley, 100m, 50m, butterfly, backstroke and breaststroke, and Jemima in backstroke, qualified to swim in the zone carnival. An amazing achievement. Well done indeed. Chloe will keep swimming as she qualified to swim in the regional carnival. Good luck Chloe.

Soul Chairing the P & C Meeting in Steve's absence Well Done

We are delighted to welcome our fabulous, highly qualified staff back for another year. Each staff member is constantly bringing new ideas and enthusiasm to our students. All professional Learning opportunities are brought back to improve classroom learning. As an Early Action for Success school we have access to literacy and numeracy training to ensure we are at the forefront of latest information and practices.

In the coming weeks the children, K-6 will see 2 performances at the Regional Theatre in Dubbo and visit Ulan Public to meet Healthy Harold and experience the Questacon Science Circus. We will have a visit from the responsible Handling of Animals team here to give real and practical information to the children and we will step out into our community to be part of Clean Up Australia day.

You are welcome to discuss this most amazing school if you have any questions. I'd be happy to have a conversation with you and show you around.
