

# GOOLMA COMMUNITY VOICE

A huge Hello to the Goolma community.

Despite the restrictions still in place at all NSW Public Schools, we have had a fabulous return to on-site learning at Goolma PS in Term 4.

This has been my first full term as the new Principal and I have to say a huge thankyou to the staff, students, families and wider community. You have all given me such a warm welcome to your wonderful small school.

As you all have likely heard by now, Mrs Kate Charlton retired from her role as Teaching Principal of GPS at the end of Term 3. She was a much-loved figure at the school for 15 years and, on behalf of the staff and students, I would like to wish Mrs Charlton all the very best in her retirement and, in particular, good fortune and happy swinging in her newfound weekly sporting endeavour of golf. We are also looking forward to a visit from Mrs Charlton when restrictions end.

## **Enrolling Now for 2022**

Some very good news that came through recently is we are now able to start Kindergarten orientation for 2022.

Goolma Public School has a great history of welcoming pre-school age children through both it's play group and orientation program. If you have, or know of, any young children who are able to enrol at GPS next year, or in future years, please don't hesitate to contact the school on 6374 0272.

We will easily be able to organise a regular weekly orientation session for a morning that suits your availability (or even a full school day if you feel this would suit your child's needs).

Enjoy the photos of the fantastic happenings at GPS so far this term, including a very special Remembrance Day assembly as well as our regular weekly music sessions with Ian from the Conservatorium in Dubbo.

Matt Ferrie Principal

## Dates to Remember

- 02.12.2021** Regional Library
- 06.12.2021** Shopping Secret Santa
- 14.12.2021** Presentation Day/Yr 6 Farewell
