

GOOLMA COMMUNITY VOICE

Alphabet of Science

Can you believe this? Late last term the school was effected by COVID and on most days we only had two staff and two students!

It didn't stop us from participating in the usual combination of fun and learning that occurs all the time at Goolma PS.

Miss Sanders, Mrs Ellis, Sarah and Isaiah jumped on the school bus and headed off to Wellington to see a show called 'The Alphabet of Science'.

For every letter of the alphabet there was a big scientific word and an experiment to match. The morning was full of explosions, fire, flying and floating objects, fog, jokes and even a jug of...WEE

We stopped at the park for some lunch and a play on the awesome equipment before heading back to school.

Easter Hat Parade

The last week of term was full of Easter activities and making sure our hats were ready for the Easter Hat Parade at Ballimore PS.

Before long it was Thursday and time for another bus trip. After singing some songs, showing off our hats and having some lunch it was time for the Easter Egg Hunt! It was great to meet new friends at Ballimore and catch up with our friends from Cassilis.

It's great having everyone back now!!!Here's our whole class at work.
